

CamerEye™ is the first Artificial Intelligence Smart Fence and safety ecosystem to provide faster distress detection and help save lives.

Our mission is to make the world a safer place and help save lives by reinventing swimming pool safety using sophisticated, advanced technology and artificial intelligence detection solutions that provide peace of mind and helping to reduce risk.

POOL SAFETY REINVENTED
AI POWERED CAMEREYE SYSTEM

Keep a CamerEye on Your Pool 24/7

CamerEye is an AI camera-based product that creates a 24/7 safety and security ecosystem that can detect distress or near-drowning behavior through AI-powered overhead cameras. With our Smart Fence technology, you can customize monitoring areas and adjust on/off functionality. CamerEye keeps you informed and in control of your pool at all times.

PEACE OF MIND

Great memories are made in and around the pool. Every pool owner's priority is for non-swimmers, visiting grandchildren, or neighborhood friends to be safe and have fun. CamerEye adds another layer of safety.

Protect Your Loved Ones

24/7 MONITORING

When response time is critical and every second is crucial, CamerEye makes all the difference. Detection alerts on the mobile app, camera, and cell phones can enable a quicker response.

Watch over the next generation of pool lovers

ENHANCED SECURITY & SAFETY

With customizable monitoring areas, cutting-edge Artificial Intelligence technology, high-performance cameras, and immediate alerts, CamerEye creates a 24/7 safety and security system that boosts your peace of mind.

Faster detection

Pool safety you can trust. With overhead cameras, audible and configurable alarms, and ten-second detection results, you are always continuously and effortlessly connected to monitor your pool.
